

Physical Education: The dept was established on the year 1958. The students are given opportunities to express the skills in different track, and game events. College of Agriculture has excelled in the Inter Collegiate and Inter Agri Tournaments over the years.

Physical Education Department is one among the departments which has activities which involves the students of COA Vellayani, public and the students of Sree Ayyankali Memorial Government Model Residential Sports School. Various tournaments are being organized here in our stadium throughout the year. Department carries out Physical Education classes for BSc Agriculture and Bsc-MSc Integrated Biotechnology. Department organize inter batch and inter house tournaments for the students to keep them motivated towards sports. Every Year Annual Athletic Meet is organized in colourful manner. Every year, our college students comprise the major part of the University Sports Teams.

The 35th National Games hosted by the State 2015, Netball and Taekwondo and Triathlon were organized in this campus. In this connection modification work worth of more than 300 lakhs were carried out. Post games, the present stadium widely used for many competitions and state camps. Right now the department possess an infrastructure of 1500sqft full fledge international standard Indoor stadium. The department trains students for badminton, Basketball, Volleyball, Throwball, Cricket, Table tennis, Football. Physical fitness assessment of students is also done. We also possess an international standard judo hall, Gymnasium and Gymnastic Hall.
